

Trenton Prevention Policy Board

Evidence based solutions to preventing juvenile delinquency and promoting positive youth development

December 9, 2015
Networking Meeting

Mission

- Mission: To make and implement policy, program and practice recommendations to prevent juvenile delinquency and promote positive youth development in the City of Trenton

History

- In 2009, the New Jersey Office of the Attorney General awarded funding to communities in the state to establish collaborative efforts to reduce juvenile delinquency by focusing on prevention and intervention strategies, as well as positive youth development.
 - Other Planning Boards: Asbury Park, Atlantic City, Newark, Cumberland County, Jersey City, Paterson

History

- In 2011, TCNJ took on facilitation role of TPPB, connecting faculty and student research and resources to questions and issues
- Data- and evidence-driven recommendations
 - Data walk
- Products and outcomes
 - TPPB outcomes: TVRS, Counselor Education
 - Other Planning Board outcomes

The coming year

- Return to data
- Emergent issues and responsive solutions from working groups
- Measurable impact

Today: Why are we here?

- Common commitments:
 - Prevent youth delinquency
 - Promote positive youth development

Today: Why are we here?

- How do you and your organization address positive youth development?
- How would you like to?
